

Scania ID

Terms and Conditions

This Scania ID Privacy Notice explains how Scania CV AB, org.No 556084-0976, headquarters located in Sweden with address S-151 87 Södertälje ("Scania") company, acts as a data controller and processes personal data relating to you as a user which includes customer, driver, Scania employee, supplier or other Scania partner etc., in connection with your use of the Scania ID "Service". This Privacy Notice takes precedence/priority over the [Scania Privacy Statement](#) at scania.com where additional information can be found (see link below).

"Personal Data", "Processor", "Controller" and "Process" "Personal Data Breach" have the same meaning as within the General Data Protection Regulation (EU) 2016/679 "GDPR".

Processed Personal Data, the purpose and the legal ground

Purpose of processing	Personal data	Legal ground
To fulfil our obligations towards our customer, such as: <ul style="list-style-type: none">• deliver Service• provide support• to provide requested information and relevant updates	Users (Customer, supplier, partner user or Scania employee etc) related data: <ul style="list-style-type: none">• Identification data of the user like user ID, IP number, MAC address• Contact information (such as name, email, phone number, address)• User behaviour, device type, browser name, type and version, browser settings (e.g. language, region), operating system, date and time of your visit, URL of the referring site, cookies• Organizational data (such as company name, country, company address and phone number)	Consent

For the sake of completeness, please be informed that the customer (your employer) may also process your Personal Data for its own purposes without the knowledge of Scania. Scania disclaims any and all liability for the customer's (your employer) processing of your Personal Data. Please refer to and otherwise engage directly with the customer (your employer) regarding its processing of your Personal Data.

Does Scania share my Personal Data with third parties?

In cases where we need to share your Personal Data with our business partners, we ensure that they treat your Personal Data with the same respect and integrity as we do. We may also share your Personal Data with public authorities if required by law or a legitimate legal request is received from law enforcement or another authority.

Scania may share your Personal Data in the following situations:

1. When our customer (either you or your employer) decides to engage a third party service provider and thus grants access to such a provider. Scania will share personal data related to the driver, vehicle, engine, trailer, superstructure or other products.
2. We may process your personal data in IT systems that are developed, delivered or hosted by our external IT-partners, for example, cloud solution providers.
3. If you choose to accept third party cookies, your personal data may be shared with these third parties (please see our Cookie Policy published at [scania.com](https://www.scania.com) for further information on Cookies).
4. When you send us your feedback, your personal data may be processed by third party solution suppliers.
5. To comply with legal obligations and legitimate requests from law enforcement and other authorities.

Data security

We are committed to protecting your data. We take all appropriate and reasonable legal, technical and organizational security measures to adequately protect the personal data that we process. Our security measures are continuously improved in line with the development of available security products and services. We have put in place procedures to deal with any suspected Personal Data Breach and will notify you and any applicable supervisory authority of a breach where we are legally required to do so.

Data retention

Scania will store your Personal Data as long as it is reasonably necessary to fulfil the purposes for which it was collected. Scania may, instead of destroying or erasing your Personal Data, make it anonymous such that it cannot be associated with or tracked back to you.

	Retention period
Customer, supplier, partner related personal data	9 months, 2months notice before deletion
Driver related personal data	9 months, 2months notice before deletion
Scania employee related personal data	9 months, 2months notice before deletion
